## BRIDAL SERVICE PACKAGES

We offer complete bridal service packages for the bride and her wedding party.

Our services include a consultation to determine hairstyle, headpiece placement and cosmetic application, if desired. Our Support Team will work closely with the bride to arrange dates and times of services and can arrange delivery of food and beverages to the salon and spa on the day of the wedding, if desired. In order to accommodate your needs for this very special day, we suggest you begin planning several months before your wedding day and photography session. Our services are often reserved quite far in advance and it is best if you finalize your service needs early in your planning process and coordinate with our team. Please utilize this worksheet for your convenience.
